

Central infotainment and control panel with a carbon fiber background. The panel features a central rotary knob with 'ON' and 'OFF' markings, flanked by 'SKIP BACK' and 'SKIP FORWARD' buttons. Above the knob are buttons for 'RADIO', 'DISC', 'NAVI', 'TEL', 'SYS', and 'CLEAR'. To the right is a numeric keypad with letters for text input. Below the main panel is a row of six buttons: a seat heating icon, 'S E M' (Sport Electron Mode), a hazard light icon, 'ECO', 'OFF P/B' (Power Button), and a seat ventilation icon.

Climate control section featuring two rotary dials for temperature adjustment (left dial marked 20, 24, 28) and two sets of buttons for fan speed and air distribution. The 'A-C' (Air Conditioning) button is located between the two sets of buttons.
